## Meeting our donor - TRYBA

26 members in **Where Dreams Bloom** group had an amazing time with wonderful people coming from **Tryba Foundation**. Many interesting activities were done in 3 - hour - event!

The little girls were taught how to make Halloween masks while the older ones were participating in a discussion about safe migration. Finally, everyone joined a talk to know about each other for the very first time.

*“...this is the first time I have talked to foreigners, it was so amazing! I will try to study English to be able to communicate better with them in the future!” - Rose*

**WHERE DREAMS BLOOM** or **DAUGHTERS AND SISTERS** program is a program that supports at-risk girls from 7 to 18 years old to complete K-12 education. They are received school fees, uniforms, school supplies, health insurance, psychological support, monthly follow-ups, entertaining activities and necessary life skills through our trainings.

## WORKSHOP: REPRODUCTIVE HEALTH AND RISK PREVENTION EDUCATION FOR MINORS

*The workshop was organized by AAT Vietnam and Department of Social Vice Prevention of Thua Thien Hue (TTH).*

90 delegates coming from **Department of Labour, War Invalids and Social Affairs (DOLISA)**, **Department of Education and Training of Hue city** and **A Luoi district** and **secondary schools in Hue city and A Luoi district** joined the workshop to discuss the outcomes of the project, share experiences during implementing trainings and contribute ideas to improve the quality of the project in the coming time.

In TTH, the project have trained for **60 core teachers, 4000 students** in public schools and **350 disadvantaged children** in community (including **1000 ethnic students** and **200 ethnic children**) on **reproductive health, gender, human trafficking, sexual abuse, unwanted pregnancy, risks of abortion, STIs, drug use, safe migration, domestic violence, ect.** Besides, 80 ethnic trainers distributed the materials and core information regarding **human trafficking across borders, child marriage and incest** to **4000 ethnic children** and **1000 adults** in A Luoi district. In 2018, **50 children** whose parents are the staff of DOLISA were trained to increase their awareness about the risks in juvenile period and equippped with the skills to avoid and protect themselves from the risks.
